

**PRODUCT SCHEDULE
FOR
EVOLV EXPRESS®**

This Product Schedule for Evolv Express® (the “**Express Product Schedule**”) is a part of and incorporated into the Customer General Terms (“**General Terms**”) or the Service Terms for Evolv Products (the “**Service Terms**”), to the extent applicable, and apply to your (“**Customer**”) subscription to and use of Express Products (as defined below). Capitalized terms not defined in this Express Product Schedule are as defined in the General Terms or the Service Terms.

- 1. Product Description.** The “Evolv Express Products” (“**Express Products**”) available to Customer are described on Exhibit A hereto and may include new or reconditioned Express Equipment. Subject to Customer’s compliance with the General Terms or the Service Terms, this Express Product Schedule, and all associated Documentation, during the subscription period specified in the applicable Order Document, including any renewal period(s) reflected in a subsequent Order Document (the “**Subscription Term**”), the Express Products shall be provided to Customer pursuant to one or more Order Documents entered into by Customer and (i) Evolv, or (ii) an authorized reseller of Evolv Products (“**Evolv Partner**”).
- 2. Effect of Termination.** Upon the termination or expiration of an Order Document or the General Terms (to the extent applicable): (a) the rights granted to Customer for use of Express Software under the applicable Order Document(s) will end, and Customer will immediately lose access to and lose use of such Express Software, and (b) unless purchased by Customer or otherwise noted in an Order Document, Customer will return the Express Equipment, at Customer’s cost and expense, to Evolv in as good condition as when it was delivered to Customer, ordinary wear and tear excepted. Customer will securely pack and ship the Express Equipment to Evolv at its facility and provide Evolv with proof of shipment within thirty (30) business days after the expiration or termination of the Subscription Term. If the Customer has not provided proof that the Express Equipment has been shipped, or if Evolv has not actually received the Express Equipment within such thirty (30) day period, Customer will be invoiced for the value of the retained Express Equipment based on the remaining useful life of the Express Equipment as determined in Evolv’s sole discretion. After receipt of the returned Express Equipment, Evolv will evaluate its condition, and Customer will be invoiced for all repairs Evolv deems necessary and attributable to Customer to return the Express Equipment to its original condition excluding normal wear and tear. This Section does not limit the provisions of Section 4(c) of this Express Product Schedule with respect to loss, theft, destruction or damage of or to Express Equipment.
- 3. Express Equipment.**
 - a.** Customer shall keep the Express Equipment in good working order and will promptly notify Evolv and/or Evolv Partner (to the extent applicable) in the event the Express Equipment requires maintenance or repair.
 - b.** Customer is responsible for normal daily maintenance of the Express Equipment in connection with its ordinary course use (such as cleaning, proper location, proper environment, and causing the provision of proper utility, electrical and networking requirements) in accordance with the Documentation and will keep sufficient records to demonstrate that Customer has performed such maintenance. Customer shall not permit any third party, except Evolv authorized agents, to repair the Express Equipment.
 - c.** Customer is solely responsible for all loss, theft, destruction of or damage to the Express Products (“**Equipment Events**”) provided to Customer, except to the extent due to repairs and maintenance performed by Evolv. Customer shall promptly notify Evolv and/or Evolv Partner (to the extent applicable) of any Equipment Events and shall at Evolv’s sole option, (i) reimburse for the repair costs to return the Express Equipment to its original condition, or (ii) pay for the value of the Express Equipment based on the remaining useful life of the Express Equipment as determined in Evolv’s sole discretion, as calculated by Evolv in accordance with its standard accounting practices. Loss, theft,

destruction of or damage to the Express Products shall not under any circumstances relieve Customer of any other obligation under the Agreement, including but not limited to the obligation to pay Fees.
